Re: Associate Membership Renewal Application

Dear Dano,

I am pleased to inform you that BC Soccer's Board of Directors approved your Associate Membership renewal application in the Other category.

BC Soccer is excited to welcome you back to the Association for the year. Your organization plays an important role in BC Soccer achieving our vision to ensure every British Columbian has the opportunity to be involved in soccer as part of a lifelong commitment to an active, healthy and involved lifestyle.

Your organization should be aware that the BC Soccer Board of Directors provisionally approve all Associate Membership renewal applications. Per BC Soccer's Constitution & Bylaws, all provisionally approved Associate Members, whether it is the organization's first year with the Association or they are renewing their status, must be approved/accepted annually by the voting Full Membership of BC Soccer at the Annual General Meeting. Based on this, should there be any alternations to your membership status after the next AGM, we will be in touch.

NIFA's Associate Member status is valid until July 31, 2020 and can be renewed on an annual basis by completing the Associate Membership Renewal form and having it approved by BC Soccer's Board of Directors.

BC Soccer, thanks to our members, is the largest provincial sport organization (PSO) in BC and the third largest soccer specific PSO in Canada. We believe in the power of soccer and look to develop and grow our game by emphasizing its benefits of active and healthy living while supporting our members to strengthen and unite their local soccer community. We, as an association, look forward to working with you in our mission to govern, promote and develop the game of soccer in British Columbia in a professional and progressive manner. Should you have any questions, feedback and/or suggestions to further improve our service and member benefits, please feel free to be in touch.
